

I'm Seth and this is my history changer project. In this project I'm trying to make the world a better place. I chose to teach people not to kill snakes so that these beautiful reptiles will survive and help humans survive in many ways by providing medicine and protection from rodents. In the future, I hope to be a herpetologist and educate people about snakes.

As Gandhi said, "**Be the change you want to see in the world**".

***THANK YOU FOR
HELPING ME***

PLEASE DON'T KILL SNAKES

Did you know that:

- **snakes keep the rat population under control**
- **snake venom is used for medicine**
- **snakes make great pets**
- **you rarely get to see them in the wild**
- **snakes only attack if they feel threatened.**

HOW YOU CAN HELP:

BY GIVING THIS BROCHURE TO YOUR FRIENDS AND FAMILY, AND EDUCATE PEOPLE ABOUT SNAKES
